## Project Description

According to the bank website, IFC will work with public and private sector clients to grow the value of tourism for Fijian businesses and communities by strengthening supply chain linkages between hotels and the Fijian agriculture sector, supporting tour operators and hotels to develop products and marketing campaigns to target high yielding tourist markets, and supporting development of pipeline tourism investment opportunities.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
