## Investment Description

- International Finance Corporation (IFC)

The proposed senior secured loan facility consists of IFC's own account investment of up to US\$25 million and mobilization of up to US\$150 million.

## Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
