IADB-GY-L1031

Road Network Upgrade and Expansion Program

Quick Facts

Countries	Guyana
Specific Location	Uninformed
Financial Institutions	Inter-American Development Bank (IADB)
Status	Active
Bank Risk Rating	U
Borrower	Government of Guyana
Sectors	Transport
Investment Type(s)	Loan
Investment Amount (USD)	\$ 66.20 million
Project Cost (USD)	\$ 66.20 million

Project Description

The general objective of the Program is to enhance mobility and safety by reducing vehicle operating costs, travel times and road fatalities. This objective will be achieved through the upgrade, improvement and expansion of the road network. The specific objectives are to: (i) rehabilitate, improve, expand and construct roads, streets, sidewalks and bikeways; (ii) improve the road safety; (iii) strengthen the institutional capacity of the Executing Agency; and (iv) provide for the maintenance of the roads.

Investment Description

- Inter-American Development Bank (IADB)

Contact Information

-

ACCESS TO INFORMATION

You can submit a request for information disclosure at:

<https://www.iadb.org/en/access-information/information-request>.

-

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
