## **Project Description**

This project finances improvements in the quality of essential maternal and child health services and in the immediate and effective response to an Eligible Crisis or Emergency. This project includes three components: i) Health Service Delivery, which will contribute to improving service delivery and restoring the confidence of the project beneficiaries in the provision of public sector health care services; ii) Health System Support, which will contribute to the development of health human resources and sector management and coordination; iii) Contingency Emergency Response, which provides for a request from the country to support mitigation, response, and recovery in the district(s) affected by such an epidemic.
