## Project Description

The investment involves funds intended towards the construction of rural roads, and it has two components. The first aims to improve 2500 km of rural roads and bridges, with the intention of making it easier for agricultural goods to come to reach markets. The second provides funds to local authorities with the aim of maintaining the roads.

### ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org). You can learn more about the Inspection Panel and how to file a complaint at:
