## Project Description

The proposed transaction consists of an investment of up to US\$50 million equivalent in COP or up to 15% of the total commitments in FCP CC Deuda Privada I (FCP Credicorp or the Fund), a debt fund to be established in Colombia by Credicorp Capital Colombia S.A. (Credicorp Capital or the GP). The Fund will provide structured long-term debt to performing medium and larger size enterprises.

---

### People Affected By This Project

IFC anticipates that the Project will improve the credit available for medium and larger size enterprises to support their growth. The longer-tenors and customized, flexible forms of finance will facilitate the borrowers' growth. Beyond the project-level impact, IFC anticipates that the project will promote competitiveness in the Colombian market by helping develop the debt fund market in Colombia. This will be achieved through the demonstration and competition channels.
