<b>Project Cost (USD)</b>	\$ 17.50 million

---

## Project Description

This project provides financing for improved solid waste management in selected zones in the Maldives. The components of the project include:

- development and improvement of National Solid Waste Management Strategy;
- establishment Regional Waste Management Systems in Zones II, IV, and V through providing equipment, accessing roads and building necessary facilities;
- completion of island-level facilities for managing the collection, segregation, on-site treatment, and storage of residual waste until final transfer to the common facility;
- provision of an immediate response to an eligible emergency.

---
