Support for the Implementation of Renewable Energy Auctions in
Azerbaijan

Quick Facts

Countries	Azerbaijan
Financial Institutions	European Bank for Reconstruction and Development (EBRD)
Status	Approved
Bank Risk Rating	U
Voting Date	2019-03-15
Sectors	Energy, Technical Cooperation

Project Description

According to the Bank's website, this project finances technical assistance to create an enabling environment for private sector renewable energy investments in Azerbaijan, as well as to provide the necessary support to the relevant institutions for the successful implementation of renewable energy auctions.

This will include (1) enhancing the overall regulatory and institutional framework required for the successful implementation of renewable energy auctions and (2) supporting the authorities on implementing and administering tenders for renewable energy investments.

Investment Description

- European Bank for Reconstruction and Development (EBRD)

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at pcm@ebrd.com or you can submit a complaint online using an online form, http://www.ebrd.com/eform/pcm/complaint_form?language=en. You can learn more about the PCM and how to file a complaint at <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>.
