### Project Description

According to FMO's website, this project provides funding to Aklease to finance renewable energy & energy efficiency projects, Small and Medium-Sized companies (SME's) and international trade finance projects.

---

## Investment Description

- Netherlands Development Finance Company (FMO)

## Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

- [Akbank T.A.S.](#) (Financial Intermediary) **is owned by** [Akbank](#) (Parent Company)

---

### Private Actors Description

Ak Finansal Kiralama A.S. (“Aklease”), the leasing subsidiary of Akbank T.A.S., one of the largest private banks in Turkey. Aklease provides financial support to investors varying from corporate segment to SMEs. Along with financing machinery and equipment as the main investment item in Turkey, Aklease is able to offer leasing opportunity to its customers in renewable energy and sizable infrastructure investments.

## Contact Information

### PROJECT CONTACT INFORMATION

*Not available at the time of disclosure*

### ACCESS TO INFORMATION

As part of FMO's ex-ante disclosure (disclosure of transactions before contracting), you can send requests or questions for additional information to: [disclosure@fmo.nl](mailto:disclosure@fmo.nl)

### ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW). A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: <https://www.fmo.nl/independent-complaints-mechanism>
