Investment Amount (USD)	$ 0.25 million
Project Cost (USD)	$ 0.25 million

Project Description

According to the Bank’s website, the overall objective is to improve workers' labor market outcomes (e.g. employment, income) through the identification and successful development of digital skills for unemployed and active workers at risk of losing their jobs due to digital transformation. in the Caribbean Region. The specific objectives are: (i) to identify the demand for digital skills and the occupational demand among the Caribbean countries through the Digital Talent Survey; (ii) close the digital skills gaps identified by the survey through the design or strengthening of digital talent initiatives (DTIs); (iii) pilot selected digital skills training programs, including e-lancing and microwork.

Investment Description

- Inter-American Development Bank (IADB)

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
