Project Description

According to the EBRD, the project consists in the provision of a four-year senior revolving loan of up to EUR 125.4 million to Bulgartransgaz EAD under the Resilience and Livelihoods Framework for 1) refinancing of the bridge loan received from the Government of Bulgaria; and 2) for acquisition of natural gas for the accumulation and/or replenishing of the national gas reserve. The loan will be guaranteed by the Republic of Bulgaria.

This project was approved in the context of the Bank's response to the Russian-led invasion of Ukraine in February 2022. To avoid delays to the delivery of this project, the Bank's President granted a deviation from the ordinary timelines for PSD disclosure, as contemplated by Section V of the Directive on Access to Information. Details of this deviation, and the Bank's response to this situation, can be found on our website.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:

http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
