### **Project Description**

According to the World Bank document, the project development objective is to improve the use of public space and increase pedestrian mobility in selected districts of Chongqing's Central City.

The PDO will be achieved through the following technical support and physical investments in improving public space and pedestrian mobility in two Districts of Chongqing Central City. These are complemented by necessary measures to improve technical and institutional capacity for regeneration planning and implementation and knowledge sharing. Details of each project component and scope are described below.

Component 1 - District Regeneration Planning and Implementation.

Component 2 - Regeneration Interventions in Nan'an District.

Component 3 - Regeneration Interventions in Jiulongpo District.

Component 4 - Project Management and Capacity Building.

## ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org). You can learn more about the Inspection Panel and how to file a complaint at: <http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
