### **Project Description**

According to bank documents, the investment program will improve the accessibility of the road network in Sri Lanka's rural areas, and thereby increase the involvement of the rural population in nationwide economic and social development. It will upgrade and maintain about 3,400 kilometers (km) of rural access roads to an all-weather standard; rehabilitate and maintain to a good condition about 340 km of national roads in Eastern, Northern, Uva, and Western provinces; and improve the capacity of road agencies with respect to safeguards, road safety, maintenance, research capacity, and road design and construction. Tranche 1 will finance the first slice of the projects.

### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
