Project Description

The proposed investment is a funded 50-50% risk-sharing facility with Standard Chartered Bank in a portfolio of trade-related assets for up to US\$700 million with IFC investment of up to US\$350 million (the “Project”). The project falls under the GTLP program, an innovative and well-received trade finance program launched in 2009. GTLP has proven to be a highly effective means to channel financing to support emerging market trade flows. The program provides liquidity or guarantees thereby helping banks grow their credit limits, manage risk and support trade in the Emerging Markets.

ACCESS TO INFORMATION

You can submit a request for information disclosure at: <https://disclosures.ifc.org/#/inquiries>

If you believe that your request for information from IFC has been unreasonably denied, or that this Policy has been interpreted incorrectly, you can submit a complaint at the link above to IFC's Access to Information Policy Advisor, who reports directly to IFC's Executive Vice President.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org>
