Project Description

The proposed subproject is the third and last under the cluster knowledge and support technical assistance (C-TA0021) for selected evaluation studies and outreach for 2017-2019. Subproject 3 supports the 2019- 2021 Work Program of the Independent Evaluation Department (IED) in delivering evaluation reports and conducting outreach events to improve ADB's strategies, policies, processes, and operations, subsequently benefiting its members in Asia and the Pacific. Like Subprojects 1 and 2, it covers a mix of corporate and thematic evaluations (4), country program evaluation and validations (4), sector assessments (1), impact evaluation/systematic review (1), quick, ad hoc sector and thematic research and writing, outreach events, and the validation system for project completion reports (PCRs) and extended annual review reports (XARRs).

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
