### Project Description

According to the Inter-American Development Bank, this technical cooperation project will focus on the analysis of policy conditions for the institutionalization and sustainability of the Conditional Cash Transfer program known as Grants for a Better Life (Bono Vida Mejor or PBVM per its acronym in Spanish). It will consist of funding the following activities:

- (i) analysis of the country's capacity to absorb the financing of PBVM with own resources;
- (ii) a proposal for regulations for the operation of the Solidarity Fund seeking to fulfill its original objective of financing the PBVM;
- (iii) an analysis of the institutional environment around the generation of information and its use in making policy decisions;
- (iv) the design of a impact evaluation that analyzes the impact of different periods of duration of the participants in the program;
- (vi) the introduction of analysis of big data for the application of the social registration of the PBVM (through the marking of inconsistent data, for example)
- (vii) the design and development of communication strategy that strengthens the implementation of the program;
- (viii) the implementation of a mechanism to digitalize the information of the care of to the care of early childhood for the verification of health co-responsibility of the PBVM.

### Contact Information

#### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
