Project Description

According to ADB website, the project is aligned with the following overarching development objective of the Anti-Crisis Plan: health and economic impacts of COVID-19 in Georgia are mitigated, protecting the most vulnerable. The program will have the following effect: rate of spread of the disease managed, burden on affected businesses mitigated and poverty contained. The program is structured around three output areas: (i) measures taken to combat the spread of COVID-19 and health sector response capacity strengthened; (ii) affected businesses are assisted; and (iii) enhanced livelihoods support for the most vulnerable segments of the population.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
