## Project Description

The project provides the Government of Ethiopia with technical assistance to enact best practice for secured transactions and collateral registry laws and regulations. Additionally, the project will develop a modern collateral registry for security interests in moveable property and launch of the registry operations. Further, the project will include the implementation of a communication and training plan on the reforms undertaken, specifically targeted at relevant public and private sector stakeholders.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
