## Project Description

According to the Bank's website, this project finances the development of the electricity infrastructure related to the Special Economic Zone Minsk by Minskenergo, the regional state-owned utility in Belarus. Specifically, this project entails the construction of a low voltage substation in the town of Fanipol.

---

## Investment Description

- European Bank for Reconstruction and Development (EBRD)

---

### Private Actors Description

Beneficiary: Minskenergo, the state-owned regional energy company responsible for the generation of electricity and heat, the transmission, and the distribution in the city of Minsk and Minsk Region. It falls under the organisation of Belenergo, the state energy association in Belarus.

Address: 24 Aranskaya st. Minsk; 220033; Belarus

## ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form, [http://www.ebrd.com/eform/pcm/complaint\\_form?language=en](http://www.ebrd.com/eform/pcm/complaint_form?language=en). You can learn more about the PCM and how to file a complaint at <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>.
