---

## Project Description

The proposed project consists of a senior loan facility for up to US\$1.5 million to Fondation pour L'Assistance Communautaire Internationale Haiti S.A. ("FINCA Haiti" or the "Institution"). The loan term will be up to three years, with semi-annual principal and interest payments. The loan proceeds will be used to grow the Institution's micro-finance and micro and small business portfolios, while encouraging financial inclusion.

### ACCESS TO INFORMATION

You can submit a request for information disclosure at: <https://www.iadb.org/en/access-information/information-request>

### ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
