Project Description

As stated by the EBRD, the project consists of a senior loan of up to USD 125 million in favour of the Damietta Alliance Container Terminal, a special purpose vehicle established to develop a second Container Terminal in Damietta Port (CT II) on the basis of a 30-year Build, Operate and Transfer Concession Agreement granted by the port landlord, Damietta Port Authority.

The Loan is part of a financing package of USD 455 million expected to be co-financed by the Asian Infrastructure Investment Bank, Deutsche Investitions und Entwicklungsgesellschaft, the International Finance Corporation, and Proparco.

The Project will support the development of the superstructure and purchase of equipment for CT II thereby significantly increasing Damietta Port's competitive position. The Project promotes private sector participation in the infrastructure sector, which will help Damietta Port become a strategic transshipment hub in the East Mediterranean.

The Project will also support human capital development within the Damietta Region by broadening access to market relevant skills and training in the sector, and helping reduce the skills gaps in the region by developing a skills development strategy responding to emerging and future needs of the ports and logistics sector.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:
