Project Description

The main objective of this project is to increase trade and investment opportunities between Korea and LAC. To achieve this goal, this TC will aim to: (i) share the Korean experience, in terms of trade and investment, that may serve as foundation for future cooperation between Korea and LAC countries; (ii) strengthen existing business opportunities and boost emerging opportunities in strategic sectors such as food and beverage, ICT, energy, transport and environment; and (iii) organize business forums where high-level Korea and LAC policy makers, government officials and entrepreneurs share their ideas and insights on how to maximize the potential of bilateral business relationship in diverse sectors.

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
