## Project Description

A senior Value Chain Financing ("VCF") loan to Khan Bank of up to USD 15 million under the Financial Intermediary Framework ("FIF") for financing private MSME clients in Mongolia.

The Project will channel long-term funding through one of the leading Mongolian banks to local MSMEs that are part of value chains with larger counterparties and thus will not only improve MSME access to finance but have a comprehensive impact by improving the integration and resilience of the economy.

The Project supports Khan Bank's lending to private MSMEs in Mongolia by a multiple of EBRD's funding and focuses on maintaining Khan Bank's regional penetration and attraction of new MSME clients, which will ultimately promote the competitiveness of the local economy.

## ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent. You can contact the PCM at [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form, [http://www.ebrd.com/eform/pcm/complaint\\_form?language=en](http://www.ebrd.com/eform/pcm/complaint_form?language=en). You can learn more about the PCM and how to file a complaint at <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>.
