## Project Description

São Martinho is a leading sugar/ethanol producer in Brazil operating 4 mills in the States of São Paulo and Goiás in Brazil. São Martinho crushed 19.3 million tons of sugarcane last season (2016/2017), and produced 1.3 million tons of sugar, 398,000m<sup>3</sup> of anhydrous ethanol and 269m<sup>3</sup> of hydrous ethanol. The proposed investment, will support the company's investment program for sugarcane planting and sugarcane fields treatment, provide for industrial maintenance and improvements as well as to make investments in life and fire safety adequacy.

---

## Investment Description

IFC is considering a financing package of an A-Loan of US\$60 million and a B-Loan of US\$40 million to São Martinho.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
