Project Description

According to IFC website, the proposed investment entails a 3–5 years green financing package to Jiangsu Financial Leasing Co., Ltd. (JFLC), an existing partner of IFC, to support it to further develop green leasing services to small and medium enterprises. The project has expected development impact in the following areas:

- i) Stakeholder impacts: to improve SMEs' access to green financing/leasing, and to increase affordability of green leasing products;
- ii) Environmental and social impact: to generate sizable green electricity and to reduce green-house gas emission;
- iii) Market standard setting: to promote broader adoption of internationally acceptable green financing principals/standards;
- iv) Market demonstration effect: to introduce the first sizable public green financing issued by a SME-focused private sector leasing company in China.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
