## Project Description

From IFC:

500 Luchadores II, L.P. is a Mexico City based accelerator that is raising \$10 million to support 120 early stage companies from across Latin America, primarily in the ICT sector. The Fund is sponsored by 500 Startups Management Company, L.L.C., a global early stage venture firm and accelerator founded in 2010 by Dave McClure and Christine Tsai.

The project intends to address funding gaps for seed stage investments by supporting approximately 120 early stage companies. The fund manager expects the Fund's graduated companies to create 600+ new jobs and support local entrepreneurship through the Fund's acceleration cycles and various internal and external events. The Fund intends to mentor 600+ founders/entrepreneurs during the first 2-3 years.
