### Project Description

This project provides financing for improved transparency in budget execution and efficiency in tax administration in Assam. The components of the project include developing public financial management through:

- strengthening cash and debt management;
- strengthening public procurement framework and scaling up e-procurement;
- strengthening public-private partnership framework and institutional capacity;
- institutional strengthening of finance department;
- training and capacity building to implementing departments;

and developing expenditure and revenue information systems through:

- design of financial management information systems (FMIS);
- enhancing e-collection and e-payment systems;
- institutional strengthening in the office of the commissioner of taxes.

---
