Quick Facts

Countries	Turkey
Financial Institutions	International Finance Corporation (IFC)
Status	Approved
Bank Risk Rating	U
Voting Date	2015-08-03
Sectors	Infrastructure
Investment Amount (USD)	\$ 2.05 million

Project Description

According to bank documents, the purported aim of this is to finance "a more strategic approach to urban planning and infrastructure project development." IFC will support selected cities throughout project planning and development and jointly develop at least six urban infrastructure projects in the areas of water and wastewater, public transport, district heating or solid waste treatment that will be appropriate for further financing and/or the development of public private partnerships.

Investment Description

- International Finance Corporation (IFC)

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
