## Project Description

The development objective of Emergency Development Policy Operation Project for The Gambia is to support strengthening the government's fiscal position while restoring the provision of essential public services. The operation will provide emergency financial support to The Gambia as the authorities strive to restore macro-fiscal sustainability while shielding poor and vulnerable households from the impact of the economic crisis. This operation is articulated around three intertwined pillars in support of the PDO as follows: 1) The first pillar consists of rapid-response fiscal stabilization measures; 2) The second pillar starts addressing critical fiscal risks from State-Owned Enterprises (SOEs); and 3) The third pillar is to mitigate the social impact of the economic crisis in health centers

## ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org).

You can learn more about the Inspection Panel and how to file a complaint at:

<http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
