## Project Description

The Project is the development, construction, operation and maintenance of a mineral and specialized bulk terminal port, GSEZ Mineral Port, in the city of Owendo near Libreville, Gabon. The port will be a viable logistics solution for the export and import of minerals and other products. It is scheduled to be built in two phases under a development agreement signed with the government of Gabon represented by the Ministry of Economy and Ministry of Transport and Logistics in the region of Owendo for a 90-year concession period. GSEZ MP also signed a concession agreement with the Office of Ports and Harbours of Gabon OPRAG for a 30-year period, extendable for 20 years (or more, in accordance with the Master Agreement).
