Project Description

The development objective of Integrated Financial Management Information System Project for The Gambia is to increase the recipient's capacity in public resource management. This Second Additional Financing (AF2) is an International Development Association (IDA) Credit to support two main areas: (a) the expansion of several existing project activities in the area of Integrated Financial Management Information System (IFMIS) rollout, support for human resources (HR) management, payroll efficiency, pension reform, debt management, and statistical capacity building; and (b) the addition of one new component to address urgent needs in the area of the reform of state-owned enterprises (SOEs). The AF2 has extended the project's closing date for one year from December 31, 2018 to December 31, 2019, to allow for successful implementation of the scaled-up and newly introduced activities.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org.

You can learn more about the Inspection Panel and how to file a complaint at:
