## People Affected By This Project

### Activity

#### Description

#### Timeline

#### Environmental and Social Policy and Operations Manual

With the support of a consultant, eFactor will formalize its existing procedures with the creation of (i) a basic Environmental and Social Policy, and (ii) an Operations Manual that sets out the procedures for screening eligible suppliers under the program. The Manual will detail roles and responsibilities, classification methodology, action plan details for suppliers, and contractual clauses.

3 months post disbursement

#### Creation of Environmental and Social Team

(i) Prior to the creation of the Manual, eFactor will establish an Environmental and Social Team with the responsibility to advise on the development of the Manual and address points of concern as they arise. The Team will assist in the selection and oversight of the Consultant selected to develop the manual; (ii) eFactor will nominate an individual to serve as Environmental and Social Manager with the goal to oversee the development and implementation of the Operations Manual and all subsequent activities related to screening, managing, and reporting on supplier information, E&S performance / compliance.

(i) at disbursement; (ii) 2 months post disbursement.

#### Hiring of a Consultant

eFactor will work with an expert consultant for the development and implementation of the Integrated Onboarding of the suppliers which includes: (i) digitalization of the KYC and (ii) the integration of the E&S questionnaire, together with an Environmental and Social Manual for defining tasks to achieve client compliance and how to conduct its environmental and social due diligence.

All documentation developed by the consultant will be agreed and submitted to IDB Invest.

## ACCOUNTABILITY MECHANISM OF IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
