Project Description

According to bank documents, the loan will support the growth of ABB's micro, small, and medium enterprises (MSMEs) financing portfolio, providing needed financial products and services to this underserved segment. ABB's strategic focus has prioritized the development of its MSME financing business line, with a particular focus on women-led MSMEs. In addition, the proposed loan will contribute to enterprise development and broader economic growth in Viet Nam through job creation. The longer-termed funding provided under the proposed loan will also assist ABB in balancing its asset-liability maturity profile better, in line with new State Bank of Viet Nam (SBV) regulations.
