Project Description

According to the Bank's website, this project provides assistance to the Government of Uzbekistan to structure a Public-Private Partnership (PPP) and attract a private operator to finance, set up, equip, maintain and operate several dialysis centers throughout Uzbekistan.

One or more private operator(s) will take over a certain number of public patients currently treated in public hospitals and will provide the dialysis treatment to these patients either in newly built dialysis centers or in the premises of public hospitals.

Investment Description

- International Finance Corporation (IFC)

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
