Project Description

According to the Bank’s website, the ongoing project is aligned with the following impact: connectivity between rural communities, productive agricultural areas, and socioeconomic centers in Bangladesh improved. The expected outcome is transport efficiency and related employment generated in target areas increased. The ongoing project has three outputs: (i) rural road conditions between selected rural communities, productive agricultural areas, and socioeconomic centers improved; (ii) capacity of rural infrastructure agency and road users in project areas enhanced; and (iii) rural road master planning enhanced. The ongoing project will improve the condition of about 2,630 kilometers (km) of rural roads to all weather standards with climate resilience and safety features, of which 369 km of rural roads will be pilot-tested under a 5-year performance-based maintenance contract.

Investment Description

- Asian Development Bank (ADB)

Contact Information

No contact information provided at the time of disclosure.

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
