### Project Description

According to the bank document, "the project will support the development of Cascade on Swat River and Panjkora River and their power evacuation. Four run-of-river hydropower schemes have been identified—two each on Swat and Panjkora River divided into following three components based on their status 1) with feasibility, 2) identified sites without feasibility, 3) assessment of new and ongoing schemes for possible bank financing. Their viability will be assessed during project preparation and will be developed in a sequenced manner matching the availability of funds."

### ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org).

You can learn more about the Inspection Panel and how to file a complaint at:
