Project Description

The proposed IDB Invest financing for an amount in Uruguayan pesos equivalent to up to US\$50 million (up to \$15 million equity + up to \$35 million in senior financial debt) will be used to partially finance the company's capital investments between 2020 and 2025 for an amount in Uruguayan pesos equivalent to US\$104 million. This includes investments in the opening of stores, logistics of the Operations Center (OC), systems and technology, and maintenance of premises in order to achieve the Company's expansion and omnichannel retailing of the Company in Uruguay.

The project will allow the Company to increase the volume of operations with its suppliers, many of which are SMEs. Ta-Ta's philosophy is to develop local suppliers for different categories of its own brands. Support for this chain contribute to the following SDGs: (i) decent work and economic growth; (ii) industry, innovation and infrastructure; and (iii) responsible consumption and production.
