<b>Project Cost (USD)</b>	\$ 1.75 million

## Project Description

This capacity development technical assistance (TA) is designed to strengthen the legal and institutional framework for commerce and private sector investment by (i) providing assistance for the drafting, advocacy and finalization of updated, modernized commercial laws, to complement the reforms being carried out under the current company law reform supported under an ADB technical assistance; (ii) improving the skills and knowledge of government staff in the implementation of the updated commercial laws; and (iii) providing assistance for a capacity building training program to improve the skills and knowledge of legal practitioners in various areas of commercial law, which will in turn facilitate increased levels of investments and commercial activities in Myanmar's private sector.

## Investment Description

- Asian Development Bank (ADB)

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
