# Promoting Behavioral Change in Water, Sanitation and Hygiene in the Colombian Pacific to Prevent COVID-19

## Project Description

According to IADB website, the Technical Cooperation is to guarantee the sustainability of WASH investments in Tumaco and Quibdó through the financing of behavior change activities and the development of WASH financial products.

## Investment Description

- Inter-American Development Bank (IADB)

## Contact Information

*No contact information provided at the time of disclosure.*

## ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
