## Project Description

According to the bank document, The proposed project will support "policy measures that aim at improving fiscal management and enhancing employment opportunities in the private sector. Results intended to improve fiscal management aim at (i) improvements to domestic resource mobilization through the introduction of a GST and (ii) reducing the procyclicality of fiscal policy and improving the efficiency with which budgets are executed through the adoption of fiscal stabilization measures and public financial management reforms. To improve private sector employment opportunities, this DPC aims at three key results. First, the operation aims to enhance access to finance and capital for firms through Foreign Direct Investment (FDI) reforms and improved payment system supervision. Second, the operation will improve human capital formation through reforms to the education and health system. Finally, the policy measures supported by this operation will enhance environmental sustainability and gender inclusiveness."

## ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing [ipanel@worldbank.org](mailto:ipanel@worldbank.org). You can learn more about the Inspection Panel and how to file a complaint at:
