## Project Description

The Bank of Tokyo-Mitsubishi UFJ, Ltd.(BTMU) of Japan has applied for a MIGA guarantee of up to \$14.3 million for a period of up to six years against the risks of transfer restriction, expropriation, and war and civil disturbance. The non-shareholder loan being provided by BTMU will finance the expansion of CB Bank in Myanmar. BTMU entered into strategic alliance with CB Bank in December 2012 and will provide the loan to increase lending to small and medium enterprises SMEs

This project involves MIGA coverage of a non-shareholder to CB Bank to be used for onlending to SME clients. CB Bank's portfolio is largely short-term corporate loan and short-term exposure to SMEs mainly in trade and wholesale (over 70 percent). The environmental and social risks and impacts associated with the portfolio are considered few in number, generally site-specific, largely reversible, and readily addressed through mitigation measures. The project is a category FI-2 under MIGA's [Policy on Environmental and Social Sustainability](#). CB Bank will be required to screen projects against MIGA's Exclusion List, national environmental and social laws and regulations, and MIGA's Performance Standards for corporate portfolio.
