## Project Description

A clear need for specialized SME management training has been identified by BICIM in Mali. Business Edge (BE) will be deployed in Mali using a commercial model, where IFC will work with BICIM and selected local training providers in order to provide the required technical assistance to identified SMEs.

IFC will draw from its global expertise in value chain solutions and capacity building to deliver the project, implementing the following two components:

- Component 1: Capacity Building for BICIMs selected SME portfolio of pharmacy clients (small/medium-sized pharmacies), as well as BICIM staff.
- Component 2: Capacity building support to other potential SME clients in the overall pharmaceutical and health sector.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
