### **Project Description**

In March 2016, the Government of Bangladesh requested the Asian Development Bank (ADB) for a loan to fund the Khulna 800 MW LNG Based Power Plant Project. Subsequently, in July 2016, the government requested ADB to provide a small-scale project preparatory technical assistance (TA) in an amount not exceeding \$225,000 to help preparing the project. The TA will support the due diligence and preparatory work for the project.

## Contact Information

### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
