## Project Description

According to bank documents, the overall goal of this project is to support manufacturing firms in Sub-Saharan Africa to develop their operations to best industry practices, increasing their productivity, revenues and inclusion into regional/global value chains. This, in turn will support development of regional champions, value added manufacturing and investment prospects of participating firms. The project will conduct:

- i. scopings of selected clients' operation to establish an understanding of the management and operational challenges and deliver a road map and recommendations for improvement initiatives; and
- ii. structure and deliver in-depth advisory support in implementation of recommended improvement initiatives.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
