Project Description

The overall project objective is to ensure the successful implementation and completion of the International Comparison Program (ICP) activities in the Western Asia region, and to further institute the ICP as a permanent element in the regional and national statistical programs, as per the UNSC recommendation. Furthermore, the project aims at enhancing statistical capacity of NSOs of countries in the Western Asia region, especially in economic statistics. These steps will, in turn, advance the statistical foundation for measuring sustainable development and supporting evidencebased policymaking.

ACCOUNTABILITY MECHANISM OF WORLD BANK

The World Bank Inspection Panel is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by a World Bank-financed project. If you submit a complaint to the Inspection Panel, they may investigate to assess whether the World Bank is following its own policies and procedures for preventing harm to people or the environment. You can contact the Inspection Panel or submit a complaint by emailing ipanel@worldbank.org. You can learn more about the Inspection Panel and how to file a complaint at: <http://ewebapps.worldbank.org/apps/ip/Pages/Home.aspx>.
