Project Description

The development objective of Results for Education Achievement and Development Project for The Gambia is to increase access to basic education, improve quality of teaching and learning in lower basic schools, and strengthen education systems. The additional financing of F will support the Government in: (a) providing salaries and allowances to teachers in public Lower Basic Schools (LBS), Upper Basic Schools (UBS), Senior Secondary Schools (SSS), financed by International Development Association (IDA); (b) providing school sub grants to all public LBS, public UBS in Regions 1 and 2, and all public SSS, financed by IDA; and (c) expanding the annexed Early Childhood Development (ECD) approach, financed by the Early Learning Partnership (ELP) Grant. In addition to supporting teachers' salaries, allowances, school subgrants, and the construction of ECD classrooms, the following modifications will also be introduced: (a) cancellation of five Disbursement Linked Indicators (DLIs); (b) removal of an activity supported under Subcomponent 2.8 to provide broadband connectivity and electricity to all public UBS and SSS because of high set-up costs and low private sector support; (c) evidence-based changes to the provision of ECD, moving from a community-based to an annexed approach; (d) relevant changes in the Results Framework (RF); (e) reallocation of financing to each category; and (f) modifications to costs of component resulting from a thorough review of the costing of each activity.
