### Project Description

According to AfDB website, the project aims to support GoT's efforts to respond to COVID19 and mitigate its economic and social impacts on local businesses and households, particularly the poor. The program's support of these is fully aligned with ADF-15 priority agenda on the addressing and preventing fragility and vulnerability. Consistent with GoT's plan to address the crisis, the operational policy objectives of the program will support the implementation of the National COVID-19 Response Plan (NCRP) and Tanzania Social Action Fund (TASAF).

### ACCOUNTABILITY MECHANISM OF AfDB

The Independent Review Mechanism (IRM), which is administered by the Compliance Review and Mediation Unit (CRMU), is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an African Development Bank (AfDB)-financed project. If you submit a complaint to the IRM, it may assist you by either seeking to address your problems by facilitating a dispute resolution dialogue between you and those implementing the project and/or investigating whether the AfDB complied with its policies to prevent environmental and social harms. You can submit a complaint electronically by emailing [crmuinto@afdb.org](mailto:crmuinto@afdb.org), [b.kargougou@afdb.org](mailto:b.kargougou@afdb.org), [b.fall@afdb.org](mailto:b.fall@afdb.org), and/or [s.toure@afdb.org](mailto:s.toure@afdb.org).
