## Project Description

According to bank website, "A transaction technical assistance (TRTA) is required to (i) conduct due diligence in different aspects (Table 2 of Memorandum) of the proposed additional financing for the ongoing loan, thereby enhancing readiness of the ensuing loan project; and (ii) mitigate a risk in environmental safeguard monitoring....

The government will provide counterpart support in the form of counterpart staff, office, secretarial assistance, domestic transportation, and other in-kind contributions. The government was informed that approval of the TA does not commit ADB to finance any ensuing loan project."

### **ACCOUNTABILITY MECHANISM OF ADB**

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
