## Project Description

The project aims to enable PPH to continue developing micro-pension funds for the informal sector in Africa, starting with Ghana's People's Pension Trust. This project is closely aligned with the Massif strategy, in this case specifically around the financial inclusion of informal workers. Their financial health will be improved through access to an appropriate savings and pensions product, improving their ability to plan for their old age.

### ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW) . A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: <https://www.fmo.nl/independent-complaints-mechanism>
