<b>Investment Amount (USD)</b>	\$ 0.10 million
<b>Project Cost (USD)</b>	\$ 0.10 million

### **Project Description**

The proposed TC has the objective to mainstream the Blue Economy in the context of economic recovery efforts in Tobago. This initiative is framed in the current IDB Group's Response to the COVID-19 Pandemic Outbreak and seeks to generate inputs for informed decision making in Trinidad and Tobago regarding alternatives for a sustainable recovery. It intends to create an environment for economic innovation and diversification following the Blue Economy approach.

#### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
